## **Autogas 2000 Ltd & Autogas 2000 Leisure Ltd:**

Autogas 2000 Ltd since the early 90`s has long been associated with the supply and fitting of bulk underfloor LPG tank tanks to motorhomes and leisure vehicles including the support for Auto-sleeper van owners Autogas 2000 Leisure ltd can offer underfloor LPG tank options for a range of vans and chassis layouts as well as upgrades from the small factory fitted tank to a larger tank. We also have our own range of custom build tank mounting cradles and fixing methods as we never use tank mounting straps to hang gas tanks.

Autogas 2000 Leisure Ltd offer fixed refillable gas bottles in a range of sizes that include the Alugas 11kg bottle with the very latest 2018 CE approval.

We have a spare parts mail order system and can supply refilling adapters for different countries as well as tank and gas bottle spares and service items.

Our workshop based at Thirsk in North Yorkshire is ideally setup to offer pre-arranged overnight stopover for customers pre-booked for work in the workshop and as we have refilling facilities on site we can have a new install fitted and running in a few hours.

Following recent safety issues regarding some underfloor LPG bulk tanks that we inspected hanging in straps, Autogas2000 is offering:

- **free inspection of LPG underfloor tank straps to Club members.**

Please ask for Chris Wise, personally, and state that you are an ASOC member.

We are also offering:

- **Autogas 2000 Leisure Ltd is offering members a 10% discount off continental LPG filling connectors.**

Please ask for Chris Wise or Wendy Boynton and state that you are ASOC member

- **Autogas 2000 Leisure Ltd is offering members a 5% discount off a fully installed fixed refillable system, gas tank or bottles**

Please ask for Chris Wise or Wendy Boynton and state that you are ASOC member

## **Ultimate:** *Independent Specialist in Car Paint Protection.*

Ultimate provide Supagard paint protection treatments to Motorhomes and Caravans. Price starting from £340 for exterior and interior protection. The process we follow is the same for caravans and motorhomes as it is for cars. Full interior protection is provided to upholstery and carpets and headboards if required and also includes alloy wheels!

We can also protect them with Diamondbrite and Autoglym LifeShine but because of the ease of aftercare most owners choose Supagard.

As with our car paint protection business we provide a nationwide service and so far to date have treated caravans and motorhomes as far south as Portsmouth and Canterbury and as far north as Preston and Cumbria. Ultimate are offering:

- **a 10% discount to members off their top polishing service.**
- **a 'special service' for our members only: A combined 'wash and machine polishing service' aimed at restoring the look and appearance of your motorhome.**

Contact Paul Grundy for more details.

Ultimate can be contacted by telephone 0330 100034 or <http://car-paint-protection.co.uk/motorhomes-caravans/>
